

CURRICULUM VITAE

NAME: Noel Keith Maclaren, M.D.
Clinical Professor, Pediatrics, Weill College of Medicine of Cornell University
And Director, BioSeek Endocrine Clinics
5 East 57th St, 16th floor, New York, New York 10022

HOSPITAL AFFILIATIONS: New York Hospital/Weill-Cornell College of Medicine, E 68th St, New York, NY
Lenox Hill Hospital, E 77th St, New York, NY
Greenwich Hospital, Greenwich CT
St Vincents Hospital W 12 th St, New York, NY

BIRTH: July 28, 1939
New Zealand
Citizen of United States, 1986, Passport # 154956766

PERSONAL: Married - Sunita
Children - Kirsty, Sophie and Sahil

EDUCATION: M.B., Ch.B (MD), University of Otago, Dunedin, New Zealand, 1963

First year resident, Cook Hospital, Gisborne, New Zealand, 1964 (Medicine and Pediatrics)

Second year resident, Wellington Hospital, Wellington, New Zealand, 1965 (Medicine)

Registrar in Medicine and Pediatrics, Wellington Hospital, New Zealand, 1966 (Endocrinology)

Senior registrar in Medicine and Pediatrics, Wellington Hospital, New Zealand, 1967-1968

Senior resident Medical Officer, Queen Elizabeth Hospital for Sick Children, Hackney, London, 1969

Consultant in Pediatrics and Internal Medicine, Gulf Oil Co. Hospital, Ahmadi Kuwait and the Oil Co. Clinic, Tripoli Libya, 1970 - 1972

Fellow in Pediatric Endocrinology and Metabolism, University of Maryland, School of Medicine, and John's Hopkins, Baltimore, Maryland, 1972-73

**ACADEMIC
APPOINTMENTS:**

Assistant Professor of Pediatric Endocrinology and Metabolism, University of Maryland, School of Medicine, Baltimore, Maryland, 1973 - 1974

Associate Professor of Pediatrics and Director, Endocrinology and Metabolism, University of Maryland, School of Medicine, Baltimore, Maryland, 1975 - 1978

Professor of Pathology and Pediatrics, College of Medicine, University of Florida, Gainesville, Florida, 1978 - 1997

Director, Clinical Chemistry, Shands Teaching Hospital, Gainesville, Florida, 1978 - 1986

Chairman, Department of Pathology, University of Florida, College of Medicine, Gainesville, Florida, 1987 - 1997

Professor, Comparative and Experimental Pathology, University of Florida, College of Veterinary Medicine, 1990 – 1997

Professor of Pediatrics, Louisiana State University, College of Medicine, New Orleans, Louisiana, 1997 – 1999

Professor of Biometry and Genetics, Louisiana State University, College of Medicine, New Orleans, Louisiana, 1998 - 1999

Director, Research Institute for Children, Children's Hospital, New Orleans, Louisiana, 1997 – 1999

Professor (tenured) Pediatrics, Weill College of Medicine of Cornell University, New York, NY 1999 – 2004

Director, Cornell Juvenile Diabetes Program, Weill College of Medicine of Cornell University, New York, NY 1999 – 2004

Rockefeller University Hospital Medical Staff, New York 2000- 2004.

Hospital of Special Surgery Medical Staff, New York 2000- 2004.

Faculty Member Program in Immunology, Joan and Sanford I Weill Graduate School of Medical Sciences, Cornell University 2000-Present

Faculty Member (Adult and Pediatric Specialist Endocrinologist) in Family Medicine, Cornell Medical Associates, Joan and Sanford Weill College of Medicine, 2001-2004

Professor (Clinical) of Pediatrics, Weill-Cornell College of Medicine and New York Hospital, 2004-present

COMMITTEES:

Member, Juvenile Diabetes Foundation Medical Advisory Board, 1977-1980

Member, Children's Diabetes Foundation at Denver Medical Advisory Board, 1977-1986

Member, Medical Advisory Committee, Human Growth Foundation, 1982-1984

Graduate Faculty, University of Florida, College of Medicine, Gainesville, Florida, 1979 - 1997

Member, Clinical Research Center Advisory Committee, University of Florida, 1978 - 1997

Chairman, Pathology Residency Advisory Committee, 1980-1984

Member, Advisory Committee, University of Florida Diabetes Research, Education and Treatment Center, University of Florida, 1982 - 1997

Member, University Senate, University of Florida, 1983-1986

Member, Environmental Toxicology Board, University of Florida - 1983-1988

Member, Long Range Planning Committee, University of Florida Health Center, 1985 – 1997

Member, Executive Committee of the Medical Staff, Shands Hospital at the University of Florida, 1984 – 1997

Member, Medical Executive Board, University of Florida College of Medicine, 1984 - 1997

Member, Medical Science Board and Basic Science Board, University of Florida College of Medicine, 1984 - 1995

Member, Florida Group Practice, University of Florida College of Medicine, 1984 - 1997

Member, National Coalition on Immune System Disorders Scientific Advisory Board, 1986 - 1997

Member, Scientific Advisory Board, American Diabetes Association - 1986-1989

Member, Medical Advisory Committee, National Disease Research Interchange (NDRI), 1982 - present

Chairman, NDRI Executive Board 1998- present

Member, National Institutes of Health Immunobiology Study Section, 1988 – 1996 and continuing ad hoc reviewer to present.

Member, International Diabetes Federation, 1989 - Present

Treasurer, International Immunology and Diabetes Workshop, 1990 - 1995

President, International Diabetes Immunotherapy Group, 1990 - 1999

Chairman, College of Medicine Professorial Promotion and Tenure Committee - 1990-91

Charter Member, National Institutes of Health Reviewers Reserve (NRR) - July 1, 1993 - June 30, 1997

Organizer, XII IDW Scientific Meeting, Orlando, Florida - April 1993

Organizer, Scientific Session, American Diabetes Association, Las Vegas - June 1993

Co-Chairman, College of Medicine Associate Professor Promotion and Tenure Committee - 1994-95

Chairman, College of Medicine Associate Professor Promotion and Tenure Committee - 1995-96

Chairman Executive Board, National Disease Research Interchange (NDRI), 2000-2004

Medical Advisory Board, New York Chapter, Juvenile Diabetes Foundation, 2000-present

HONORS AND AWARDS:

Mary Jane Kugel Award for Diabetes Research, Juvenile Diabetes Foundation, 1980

Alpha Omega Alpha Medical Society, University of Florida, College of Medicine, Gainesville, Florida, 1984

Faculty Research Prize, University of Florida, College of Medicine, Gainesville, Florida, 1984

International Canadian Diabetes Association/Connaught Novo Nordisk Award, University of Toronto, Toronto, Canada, September 1994

Honorary Seventeenth Henry Turner Lecture Speaker Oklahoma Endocrine Society & University of Oklahoma
October 12, 1994

The Best Doctors in America: Southeast Region (1996-1997)
Listed in first edition, Woodward/White July, 1995

The best Doctors in America national edition 2003-present

Juvenile Diabetes Foundation International Research Award: David Rumbough Scientific Award, June 1995

Marquis Who's Who in America 1997-present

BOARDS:

MRACP, (Member Royal Australasian College of Medicine) Christchurch, New Zealand, 1966 (Internal Medicine)

D.C.H., (Diploma of Child Health), London, UK, 1969

FRACP, (Fellow Royal Australasian College of Medicine) 1976 (Internal Medicine)

Federation Licensing Examination (FLEX), 1973

Diplomate, American Board of Pediatrics, 1976

Diplomate, Pediatric Endocrinology Sub-board, 1978

SOCIETY MEMBERSHIPS:

Academy of Clinical Laboratory Physicians and Scientists
1993 - 1999

Alachua County Medical Society, 1986-1997

American Academy of Pediatrics, 1994-present

American Assoc for the Advancement of Science, 1987-present

American Diabetes Association, 1975-present

American Endocrine Society, 1987-present

American Medical Association, 1979-present

American Pediatric Society, 1979-present

American Society of Clinical Pathologists, 1984-1997

American Society for Histocompatibility and Immunogenetics,
1984-present

American Society of Pathology, 1984-1997

Association of Pathology Chairs, 1984-1997

Clinical Immunology Society, 1987-Present

Florida Association of Blood Banks, 1984-1997

Florida Medical Association, 1979-1997

Florida Physicians Association, 1989-1997

International Association of Pathologists, 1988-1997

Lawson Wilkins Pediatric Endocrine Society, 1976-Present

Society of Pediatric Research, 1976-Present

Southeastern Conference of Pathology Chairman, 1984-1997

EDITORIAL BOARDS:

Pediatric Diabetes, 1999 - present

Diabetes, Technology & Therapeutics, 1999- present

Autoimmunity, 1987 - 2000

Regional Immunology, 1987 - 1996

Diabetes Care, 1986 – 1989.

PATENTS:

U.S. Patent No. 5,376,533 – issued 12/27/94

Methods and Compositions for the Detection of Addison's Disease. Maclaren et al [for 21-hydroxylase antigen]. UF # 132

US Patent No. 08/219,816 issued 5/95

Methods and Compositions for Detection and Treatment of Insulin Dependent Diabetes. Maclaren et al [for the islet cell antigen GAD₆₅] Diagnostics licensed to Behring Co; therapeutics licensed to Diamyd Co

US Patent No 08/514,213 Filed August 11, 1995

Methods and Compositions for the Detection and Treatment of Insulin Dependent Diabetes. Maclaren et al. [for the islet IA-2 antigen]

Parathyroid Cytosolic Autoantigen Recognized by Autoantibodies from Patients with Acquired Hypoparathyroidism. US Patent # 6,066,475 issued May 23, 2000. Application filing date Dec 16, 1997 Maclaren N and Song Y-H [for auto-immunity against the calcium sensing receptor].

US Patent No 14014.0348 – issued 5/99

Materials and Methods for Detection and Treatment of Insulin-Dependent Diabetes. Maclaren et al. [for the IA-2 β antigen and diagnostic use of auto-antibodies against IA-2 β , GAD₆₅, IA-2, IAA and ICA].

US Patent No. 5,891,435 – issued 4/6/99

Materials and Methods for Detection and Treatment of Insulin Dependent Diabetes. Maclaren et al [for the diabetes insulin B chain based vaccine]. In Japan –issued 1/00 Licensed to Lederle-Wyeth Vaccines Dec 2001.

International Patent Serial No. PCT/US01/03522 Based on US Serial No. 60/180,305-filed Feb 4, 2000 “Compositions and Methods for Reducing Autoimmunity. Maclaren N and Kukreja A.
