

Forever in Blue Jeans for Genes

Fundraiser for APS Type 1 (and 50th Birthday Party for Brent Finch)

Featuring Super Diamond

February 17, 2024 @ The Canyon Club—Agoura Hills

Sponsorship Opportunities

Brent's birthday wish is to find a cure for APS Type 1.
Your sponsorship will help to make his wish come true.

Donations benefit the APS Type 1 Foundation, a 501(c)(3), by funding research grants and the upcoming international symposium and scientific conference, shortening time to diagnosis, growing the patient registry (incl. language translations), hiring a grant writer, educating clinicians on best practices, supporting the mental health of patients and caregivers, and so much more.
